## **Re-Opening Plan**

### **Introduction**

We are excited to announce our plans for resuming public worship services at FMBC. In the following pages, we have provided details regarding the schedule, policies, restrictions, and changes you will see as we resume our public gatherings.

We feel a stirring from God to prepare adequately and safely for the slow and safe return to worship. We have sought consultation with our Health and Congregational Nursing Ministry and our church officials in making this plan based on current Center for Disease Control and Prevention (CDC) and State guidelines.

Note: This plan is a work in progress and is subject to change in accordance with CDC guidelines.

### **Safety Measures**

We love each and every member of our church family and recognize your importance to this body of Christ followers. It is our desire to be in close fellowship with everyone as much as possible. Everyone is important and valued.

We want to note that individuals who have not received the Covid-19 vaccine and have underlying health concerns are still at a greater risk for contracting Covid-19.

We also would like to note that even though mask mandates and social distancing guidelines may be relaxed in many areas of the state we will continue to function utilizing mask and social distancing as we do not know the vaccination status of all our congregants.

**Virtual options such as Facebook Live and Zoom will be offered for all in person church gatherings.**

**In person gathering is mainly for Sunday Morning Worship Service. All other church meetings and gatherings will remain virtual at this time. Special services such as revivals and other services will be evaluated on a case-by-case basis by church leadership.**

**The following general guidelines have been developed to guide all church activities:**

<b>DO</b>	<b>DON'T</b>
✓ Wear a mask (ages 3 and up)	➤ Shake hands
✓ Wash your hands before and after services	➤ Hug others
✓ Stay six feet from others	➤ Come if you are sick

### **Social Distancing**

Signs will be posted around our meeting space reminding us of these precautionary measures and social distancing requirements. These instructions and reminders shall be observed by members and guests each time we gather until further notice.

Members are asked to wear a mask and to maintain six feet of distance when speaking to one another. We ask that you bring your own mask. Masks have been purchased by Friendship

Missionary Baptist Church and are available for those who have forgotten to bring one.
